

Thorn Creek Audubon Society Grant Application

The Thorn Creek Audubon Society donates financial assistance, not to exceed \$500 per organization, to organizations involved in environmental projects, which promote activities for the protection and enhancement of wildlife and the environment. The project must focus on one or more of the following areas: environmental education, habitat restoration and/or wildlife protection and management. Applications must be mailed by October 15 to the Chairman of the Grants Committee, Robert Pierce, 20623 Corinth Road, Olympia Fields, IL 60461.
